For semester programs: IBC, GLOBAL SEMESTER, SUSTAINABLE LUXURY

Workload of a full-time PURPAN student = 30 ECTS per semester (or 60 ECTS per year).

For SSAP (Summer Studies Program)

9 ECTS for classes + 3 ECTS for Internship = 12 ECTS
9 ECTS for classes + 4 ECTS for 2-week study tour = 13 ECTS

For INGENIEUR program

• The first 3 years correspond to Bachelor (BSc) level courses: 180 ECTS; the last 2 years correspond to Master (MSc) level courses: 120 ECTS; the curriculum totalizes 300 ECTS.

• It includes not only courses, but also internships and reports (not always accessible to exchange students); the course offer for exchange students thus varies from 16 to 25 ECTS per semester.

• Students should verify their Home Institution requirements and check how they can reach their required workload.

PURPAN follows the ECTS grading scale. Local examinations are graded out of 20 and are translated into ECTS grades as described hereunder.

The pass mark for exchange students is 10/20, unless specified otherwise. Some courses may indeed be validated with ECTS based on attendance (indicated “NC”).
